**— Consolidating the SBI Group’s Asset Management Capabilities to Further
Accelerate Growth —**

We hereby announce that Rheos Capital Works Co., Ltd. (Head Office: Chiyoda-ku, Tokyo; Representative Director and President: Hideo Fujino; hereinafter “Rheos”), a subsidiary of the Company, has today resolved to change its trade name to “SBI Rheos Capital Works, Inc., effective December 1, 2026.

Since joining the SBI Group in April 2020, Rheos has steadily expanded its business, including the establishment of a holding company (SBI Rheos Hifumi Inc.) in April 2024 and its subsequent listing on the Tokyo Stock Exchange Growth Market. Furthermore, with the aim of strengthening an integrated management structure in the asset management business within the SBI Group, the Company merged with SBI Rheos Hifumi Inc. in December of last year, making Rheos a wholly owned subsidiary of the Company.

This change of trade name represents a strategic initiative for Rheos to further evolve as a core member of the SBI Group, consolidating the Group’s asset management expertise and enhancing its ability to deliver higher added value. By incorporating “SBI” into its trade name, Rheos will further reinforce its alignment and unity with the Group.

In addition, Rheos plans to transition to a new management structure following the shareholders’ meeting and the subsequent meeting of the Board of Directors. Mitsuhiro Yuasa (currently Representative Director and Executive Vice President) is scheduled to be appointed as Representative Director and President, and Tomoya Asakura, Representative Director and President of the Company, is scheduled to assume the position of Chairman of the Board. Through Mr. Asakura’s deeper involvement in overseeing the asset management business across the SBI Group, we will further strengthen Group-wide collaboration and promote the advancement of our asset management framework.

Through these initiatives, together with SBI Asset Management Co., Ltd. and SBI Okasan Asset Management Co., Ltd., Rheos will play a key role in driving the development of the SBI Group’s asset management business, and the Group as a whole will strive to achieve sustainable growth.
